There is no excess reportable income where actual cash and other distributions in relation to the period is equal to, or more than, the reportable income in accordance with the Offshore Funds (Tax) Regulations 2009 (as amended).

- Confirmations:
- Regulation 63(5) states that if the computation gives rise to a negative amount, the reportable income is NIL.
 - The excess income is deemed to arise on 30 June 2023 (being the Fund distribution date)
 - The Fund remains within reporting fund regime as of the date of this report
 - All applicant classes within the Montanaro European Smaller Companies Fund, Montanaro European MidCap Fund, Montanaro Global Innovation Fund and Montanaro Better World Fund do not operate an equalisation arrangement. Under regulation 53(1)(h)(j)(k), the Fund has made income adjustments in the reporting period on the basis of reportable income per the Amended Regulation 72A.

However all applicant classes within the Montanaro UK Income Fund and Montanaro European Income Fund have operated equalisation arrangements and have notified HMRC of the election to operate equalisation (but not full equalisation) in line with Regulation 53(1) (h) and (i).

- The Funds consist of less than 60% of bonds or other economically similar interest and therefore are not Bond Funds under UK tax rules
- The Fund declares that it has complied with its obligations specified in regulation 53 and regulation 58
